

Dear Families,

I hope that you have had a good week.

We have had a fabulous week in school and we were blessed with amazing weather for our Boxing Day (actual boxing, not post-Christmas celebrations). I do have to admit that the song, 'Eye of the Tiger' has been quite an ear-worm to shift though. Challenge, laughter and motivation were all intrinsic to the programmes for every age group. While each group looked thoroughly exhausted as they returned to the classroom, they were still full of enthusiasm.

The children in all classes loved the sessions and perhaps next time, you will be able to get involved as well.

Next week, hard to believe it, is the last week before half term. There is the 'Pirate Afternoon' on Thursday at Warthill and birthday parties will take place on Friday after lunch. We will finish at the usual time. You will also be receiving information about clubs next week so look out for those. Finally, there is also an additional email today about some support courses linked to Mental Well-Being.

I have been fortunate, as ever, to have spent time in classes with your children. I must share with you how hard they are working and how happy they are to be learning alongside their friends again. Long may it continue. You should be very proud of them. I know I am!

Happy Weekend

*Beverley Pawson*
