

Class 1 - Friday 6th December

What an exciting couple of weeks we have had in Class 1. Continuing with our toys theme, we have had the chance to play with our favourite games from home - Twister and Jenga were particular favourites! Christmas has well and truly arrived in our classroom where we have been decorating our Christmas tree and making the classroom look festive. Our trip to Stockeld Park was truly magical and the children were extremely well behaved throughout and enjoyed the many activities that were on offer throughout the day – there were a few that had a sleep on the way home (that's children not teachers!!!)
