

Dear Families,

Another wonderful Sports' Day went ahead this week; at Warthill this time. Quite a world away from the rainy start at Sand Hutton last week, our sports' people battled the heat to be victorious in their race. The was competition with a light hearted spirit amongst all our children....make up your own mind about the grown-ups' egg and spoon race! Thank you to everyone who supported the event. It was a super afternoon!

Class 1 at Sand Hutton have visited Beetle Bank Farm this week and had a joyous time in the sunshine. Everyone has been full of chatter about the day. Thank you to Mrs Hall for providing everyone a packed lunch for the day.

It was our last sharing at Warthill today and sadly I had something pressing at Sand Hutton (as Covid re-emerges) and was unable to attend. I will be looking forward to Leavers' all the more.

We are continuing with our transition plans for our pupils and I would like to remind you that there is a further transition day and new starter meeting at Sand Hutton on July 13th.

We also have a fun surprise planned for the children in both schools which will take place on Thursday am at Sand Hutton, pm at Warthill. Watch this space!

Hoping you have a lovely weekend and have time to enjoy the forecasted summer weather.

With every best wish

Beverley Pawson
