

Dear Families,

I hope that you have enjoyed our sunny week and I have my fingers crossed that it lingers... at least a little into the weekend.

We have had another super week in both our schools with many exciting events and more on the horizon. Earlier in the week we took delivery of ten eggs and we are very proud to announce that all ten of these have hatched successfully.

We would like to thank the PTA for funding this experience which we are all (especially the adults!) enjoying very much indeed!

We should also thank FOWS at Warthill for their generosity in funding the visit to Eureka next Thursday. We will take plenty of pictures. We know that it will be a great day. Please return permission slips if you haven't yet done so.

Our Stay and Play transition sessions are in full swing at both settings with Warthill new starters coming on Monday afternoons and Sand Hutton new starter children visiting on Wednesdays. Next Tuesday, we will be having the first transition day at Warthill and so Mrs Naylor will be over there for the morning.

A little reminder about Sports' Days. These are weather permitting and families are welcome. They are as follows: WH: 29th June, SH: 30th June, just after 1pm, or thereabouts. It would be lovely to be able to welcome as many of you as possible to these events.

Finally, there is a Scarecrow Trail event at Sand Hutton tomorrow between 10am and 12. Everyone is welcome. There will be a scarecrow quiz sheet to complete and refreshments available on the school yard. It will be lots of fun!

Have a great weekend,

Best wishes,

Beverley Pawson
