(Name of School) COMPLAINTS PROCEDURES – SUMMARY GUIDANCE

Informal Stage

Complainant makes a complaint to the school. The teacher or other member of staff, deals with matter resolves the issue. This could include the Head teacher or a Senior Teacher.

If the issue is not resolved the complainant should be given a copy of the school's complaints procedure and asked to write to the Head teacher stating the issue and how they would like the issue to be resolved.

**Formal Stage
Stage 1**

If the complaint is against the Head teacher it should go directly to Stage 2. The Head teacher deals with the written complaint as per agreed procedures and gives written response. The issue is resolved.

Stage 2

If unresolved the complainant is invited to write to the Chair of Governors. The Chair investigates the Head teacher's process and the complaint and makes a judgment. The Chair then writes to the complainant with their findings.

If the issue is still unresolved the third stage can begin. The complainant must write to the Clerk of the Governing Body with the complaint and desired outcome. The Clerk convenes the meeting in accordance with the agreed procedures. The Complaints Panel considers the complaint as per agreed procedures and gives written response.

Stage 3

Once the Complaints Panel has made a decision and conveyed their decision to the complainant this is usually an end to the process

If the complainant is not satisfied with the decision of the Committee the Complainant may request the Secretary Of State review the way the matter has been handled.

HANDLING COMPLAINTS – GUIDANCE FOR GOVERNORS

Complaints are an everyday fact of life and every organisation needs to have procedures for handling them. Schools are no different but governors probably find dealing with complaints relating to the school the most difficult to deal with. Governors may feel that they are caught between their loyalty to the school and the expectations of the complainant to have their complaint dealt with fairly. The notes in this section are intended to guide governors faced with having to deal with a complaint.

Tensions are likely to occur because:

- on the one hand complainants may see governors as having the authority to directly resolve their complaint whereas the reality is that governors must work within the adopted complaints policy of the school and remain entirely independent;
- on the other hand, complainants generally have an expectation that governors, particularly parent governors, are there to help them.

It is important therefore that governors fully acquaint themselves with the adopted complaints policy of the school and abide by that policy. This does not mean that a governor cannot listen to a complaint if approached by a complainant (although this may preclude the governor from being involved formally at any later stage in the complaints process). If approached by a complainant with a complaint it is important to:

- recognise that for the person concerned the issue is of serious concern (even if it appears trivial);
- LISTEN but avoid commenting on the pros or cons of the complaint;
- point out that as an individual governor you have no power to act;
- check whether the complainant has raised their complaint with the school;
- if not, advise them to do so and refer them to the school's complaints procedure which should be on the school's website;
- consider whether it is appropriate to draw the matter to the attention of the head teacher 'for information' in a totally non-judgmental way, making it clear that this does not indicate siding with the complainant.

Sometimes the concern/complaint will have implications for school policy or procedures. If so these should normally be picked up during the investigation of the complaint, if not, it may be appropriate to raise the general issue at a governing body meeting. **However, this should not be done until the complaint has been dealt with fully.** To do otherwise may seriously prejudice dealing with the complaint in accordance with the complaints procedure and any action that might flow from the investigation of the complaint e.g. staff disciplinary matters.

HOW TO LISTEN TO COMPLAINTS – GUIDANCE FOR GOVERNORS AND STAFF

A natural reaction when listening to a complainant is to be defensive, but this is usually counter productive. When you realise that you are listening to a complaint, try to remember the following:

Say who you are	If you are unknown to the person, introduce yourself.
Ask for their name and use it	Anonymous complaints are acceptable only where there are special circumstances.
Be courteous and patient	Be sympathetic and helpful, but do not blame other colleagues.
Stay cool and calm	Do not argue - be polite and try to find out exactly what the person thinks is going wrong, or has gone wrong.
Don't 'pass the buck'	Do not to keep transferring the complainant from one place to another. Make sure you know the contact person for anything you cannot deal with yourself. If necessary offer to make enquiries and arrange for the correct person to contact the complainant.
Treat every complaint individually	Even if you have already received several similar complaints the same day, it is probably the complainant's first chance to have their say.
Treat all complaints seriously	However small or trivial it may seem to you, the complaint will be an important problem for anyone who takes the trouble to complain.
Take time to find out exactly what the problem is	It is easy for someone to forget to tell you an important detail, particularly if they are upset or annoyed.
Don't take the complaint personally	To an angry or upset person, YOU are the school, and the only one they can put their feelings to right now.

Don't rush	Take your time. Let people have their say, and let off steam if they need to. Listen carefully and sympathetically to their problems before replying and attempting to find a solution or offer a next step.
Check you are being understood	Make sure that the person understands what you are saying. Do not use jargon - it can cause confusion and annoyance to someone 'not in the know' or for whom English is a second language.
Check that you have understood the complaint	It is important to ensure that you have understood the complaint. Check with the complainant that you have understood them correctly and confirm any points that might be unclear or confused.
Write down what you have been told	To avoid any possible misunderstanding it is useful to write down what you have been told and if necessary provide a copy of your note to the complainant and ask them to confirm that it is accurate.
Do offer the School's Complaints Procedure to the complainant	Trying to deal with a complaint and not making them aware of the complaints procedure can cause confusion and make matters worse and result in "old ground" having to be covered twice.
Consider any Learning Outcomes	Complaints may inform better practice/service and this should be viewed as a positive outcome of managing complaints.

Complaints Policy

Background

The Education Act 2002 requires governing bodies of schools to have a procedure to deal with complaints about the school and any facilities or services that the school provides. The procedure must also be publicised.

From 31 July 2012 under section 45 of the Education Act 2011 the duty on Local Authorities to consider complaints about the curriculum, sex education and religious worship in maintained schools was removed.

Also, from 1 August 2012 complaints about maintained schools not resolved by the school that would have been considered by the Local Government Ombudsman or the local authority should now be addressed to the Secretary of State for Education. The school has accordingly adopted a complaints procedure in accordance with the following principles.

Definition of a Complaint

A complaint is any expression of dissatisfaction about the school and any community facilities or services that the school provides.

Principles of the Procedure

Informal resolution – If possible, complaints will be resolved through informal discussion and negotiation.

The procedure will be easy to understand and to use – the language will be simple and can be made available in different languages and formats where necessary.

Publicity and accessibility – The procedure will be well publicised and easily accessible to all via:

- ✓ posters;
- ✓ leaflets sent out with other school material;
- ✓ information in the School Prospectus;
- ✓ on the school website at: ([insert school web address](#))
- ✓ information at parents' days, and at other appropriate school events.

Impartiality and confidentiality – all complaints will be dealt with impartially and subject to the need to investigate the matter fully, in confidence.

Time limits – complaints will be dealt with within clear time limits and everyone will be kept fully informed

Support – complainants will be encouraged to be supported by a friend or adviser.

Full and fair investigation –

- a. the complaint will be fully investigated;
- b. if necessary and at the discretion of the Chair of the Governing Body an independent person will be appointed by the Chair to conduct the investigation;
- c. the principles of fairness and impartiality will be fully observed at all times.
- d. If the complaint is justified appropriate redress will be offered.

Addressing any problems – any issues identified through the investigation of the complaint as requiring action will be addressed.

Support for staff – staff will be given the same level of support as the complainant.

Anonymous complaints – Will be investigated but only insofar as it is possible and practicable.

Vexatious complaints – will be assessed to decide whether any new issues have been raised. If so then these will be investigated in accordance with the Complaints Procedure.

Training – all staff will be briefed in handling complaints to seek to ensure that a consistent approach is taken to all complaints received.

Persistent complainants – complaints will be thoroughly investigated but will not be re-opened unless relevant new issues are brought forward.

Monitoring – the Head teacher will keep records of all complaints and will report to the Governing Body on a regular basis.*

Review

This Policy shall be reviewed by the Governing Body every three years.

*** This will be for monitoring purposes only and will present an overview of the types of complaints and data in terms of numbers etc. No details should be given in respect of names or other identifying features.**

THE COMPLAINTS APPEALS PANEL – GUIDANCE FOR SCHOOLS

Gov Body meeting autumn term 1st meeting

The Complaints Appeals Panel - Establishment

General (Procedure)

At the first meeting in the autumn term the governing body will establish a panel whose role is to determine appeals against stage 2 decisions on formal complaints made under the school's complaints procedure. The panel will only hear those complaints which have reached stage 3 of the procedure. i.e. after the complaint has already been investigated by the Headteacher/Chair of Governors.

Constitution

Whilst it is for the governing body to determine the constitution of the panel it is strongly recommended that this should be any three governors, apart from staff governors and associate members, as available at the time of the appeal. Because of the need to provide confidence in the impartiality of the panel staff governors should not be appointed to the panel. Equally, associate members should not be appointed to the committee because they may not vote on a range of issues including the budget, financial commitments of the governing body, admissions and pupil discipline and may therefore find their effectiveness curtailed if any of these issues form part of the complaint.

Terms of reference

The terms of reference suggested for the panel are:

“to consider appeals in respect of complaints made pursuant to the school's complaints procedure including full delegated authority to:

- dismiss the appeal in whole or in part;
- uphold the appeal in whole or in part;
- decide on the appropriate action to be taken to resolve the complaint;
- recommend changes to the school's systems or procedures to ensure that problems of a similar nature do not recur.”

Delegation

The panel should be given full delegated authority to act.

Procedure

The Complaints Appeals Panel STAGE 3

Receipt of complaint by the Clerk to the Governing Body

Clerk checks the school has followed the complaints procedure up to this point. The Complaints Appeals Panel will only become involved after the complaint has been investigated at Stage 2 of the procedure. The complainant should have written to and told the Clerk to the governing body that he/she remains dissatisfied with the Stage 2 decision and now wishes the matter to be considered by the committee at Stage 3.

Procedure

- ✓ The Clerk should acknowledge receipt of the complainant's letter within 5 working days of its receipt. See sample letter 'A'.

Arranging the hearing

The Clerk will make the necessary arrangements for the hearing to take place within 20 working days taking into account the following matters:

- ✓ check that 3 governors on the Appeals Panel and **not previously involved in the complaint** are available, remembering not to include staff governors or associate members;
- ✓ if the complaint is against a member of staff ensure that the members of the panel are not also members of the Staff Dismissal Committee (or Staff Dismissal Appeals Committee);
- ✓ is the preferred date and time of the hearing convenient to **all** the parties involved?
- ✓ is the school an appropriate place for the hearing or would a more neutral venue be preferable?
- ✓ is the chosen venue readily accessible to all?
- ✓ do the seating arrangements strike the right balance between the formality of the hearing and the need to create a more relaxed atmosphere?
- ✓ will water or soft drinks be available for people during the hearing?
- ✓ do any of the parties have any special requirements for the hearing? e.g. Induction loop, translator etc;
- ✓ are separate rooms available if any of the parties wish to discuss any relevant matters in private either before or during the hearing? Do you need anyone to act as "host" and facilitate the process?

The Clerk should inform everyone of the arrangements made giving at least 7 clear working days notice and provide everyone with the agenda setting out the format for the hearing. See the sample agenda under Sample Forms and Letters.

Who should be invited to the hearing?

- The complainant (not forgetting that he/she may be accompanied by a friend or an adviser);
- The Panel;
- The Headteacher, Chair of Governors or designated member of staff whoever investigated the complaint at Stage 2. The Headteacher (with an adviser if they so wish) should make every effort to attend the hearing but

if he/she declines to attend it should be borne in mind he/she will not be able to answer questions from the complainant or the panel and this might be unhelpful to the panel in reaching its decision.

- Any witnesses that any of the parties may wish to call to give evidence.
- A host who could help with proceedings or take care of witnesses etc may be useful.

When advising everyone of the arrangements for the hearing remind the complainant and the Headteacher that written submissions must be submitted to the Clerk not less than 7 working days prior to the hearing to enable the Clerk to provide copies in advance to everyone concerned.

Written representations when received should be sent by first class post to all the parties concerned.

The Hearing

The Clerk should arrive early to ensure that the arrangements for the hearing are in order.

The Appeal Panel should take its place in the hearing room without the complainant, Headteacher or witnesses being present and the clerk should take the opportunity to:

- clarify any procedural points with the Panel; and
- elect a Chair for the hearing.

The Clerk should check that all parties have received a copy of all papers to which they are entitled. It may be helpful to number the pages. If anyone has not received any of the papers they should be provided with a copy and given time to read them and if they request it they should be allowed to do this in private and if necessary confer with their friend/adviser.

The complainant, the Headteacher and their friends or advisers (but not witnesses) should then be invited in to the hearing. **The complainant or the Headteacher, Chair of governors or designated member of staff (and friends or advisers or witnesses) should not be left alone with the Panel at any time.** The Clerk should remain in the room with the Panel to ensure all procedures are followed in a fair and equitable manner.

The host could remain with any witnesses and act as a support to the clerk if for any reason there is a need for a recess or any other issues arise which could lead to a situation where the Panel could be compromised in any way. It is recommended that the host does not go into the hearing whilst evidence is presented.

The Chair should open the hearing by introducing him/herself and the members of the Panel. He/she should inform everyone of the role of the Panel and stress that the Panel has had no prior involvement in the complaint and that it will look afresh at all the issues involved and arrive at its own decision on the matter(s). Also, that the decision(s) of the panel is final insofar as the school is concerned. The Chair should then invite everyone else present to introduce themselves and their role in the proceedings.

The Chair should confirm with everyone that they have received a copy of all relevant papers to which they are entitled (ideally the Clerk should do this prior to the meeting and provide a copy of any missing papers – this would help prevent delays at the hearing see above).

The meeting should then follow the format set out in the agenda (see under Sample Forms and Letters). If either of the parties wish to have a recess then the Chair should facilitate that, if at all possible, however the decision to allow a recess is entirely at the discretion of the Chair. If a recess is allowed there should be no discussion on the matters heard thus far and the complainant, the Headteacher, Chair of governors or designated member of staff (or witnesses/friends/advisors) should not be left alone with the Panel.

Witnesses should be invited in to the hearing when it is their turn to give evidence. After giving evidence and answering questions witnesses should be invited to leave the hearing if they wish. Alternatively they may remain in the hearing but they should not be allowed to take any further part in the proceedings.

At the conclusion of the hearing the Chair of the Panel should thank everyone for their contributions and inform the complainant and the Headteacher that the Panel will make its decision in private and that they will be notified of the outcome by the Clerk within 5 working days of the meeting. Everyone, with the exception of the Panel and the Clerk, should then leave the meeting whilst the Panel deliberates in private. It might be appropriate to ask the complainant, the Headteacher, the Chair of Governors or designated member of staff and any witnesses to stay behind for a short while in the event that the Panel needs clarification on any point or to give the parties the option to wait to hear the decision in person if the Panel expects to reach one within a reasonable length of time. In either of the above circumstances it will be necessary for **ALL** the parties concerned to be present.

The Decision process

The Panel should consider in private all the evidence submitted. If the Panel requires clarification on any point then **all** the parties should be invited back in to the hearing only whilst the Panel seeks the necessary clarification. Remember also that this is not an opportunity for anyone to re-open the hearing.

The Panel may decide to seek legal advice or clarification from HR at this stage. It is acceptable to adjourn at this point and agree to reconvene when any further guidance has been received. This must comply with the 5 day timescale or the complainant and head teacher should be informed of any delay in the process.

After arriving at its decision the **clerk** should confirm with the Panel that his/her understanding of the decision is correct.

If the decision of the Panel is thought likely to lead to further action by the complainant e.g. a claim for damages, the Panel should consult with Legal Services at County Hall before reaching a final conclusion.

After the hearing

The clerk should prepare a draft of the letter setting out the decision. This should be approved by the Chair of the Panel and signed by him/her prior to being sent to the complainant and the Headteacher within the agreed 5 working days. See sample letters B&C to be signed by the Chair of the Panel.

Minutes and reporting to the Governing Body

Draft minutes of the hearing should be prepared and once they have been agreed with the Panel the minutes should be signed by the Chair of the Panel. They should **not** be submitted to the governing body nor should a detailed resume of the hearing be given to the governing body. All that should be reported is that a

hearing was held and the decision. The reason for this is that there may be issues arising from the complaint that may require further investigation and which may lead to disciplinary action against a member of staff. To give a detailed account of the proceedings of the hearing may be prejudicial to any disciplinary or other proceedings.

It is good practice to inform the Governing Body that a complaint has been dealt with under the Complaints Procedure. This information could form a useful part of the school's improvement procedures and Governor monitoring of the school.

Records

The records of the complaint should be kept securely in school and retained in accordance with the requirements of the Schools' Information Governance Manual issued by Children and Young Peoples' Service in May 2006.

Letter 'A' – Acknowledgement letter from Clerk

Dear

Your Complaint

I write to acknowledge receipt of your letter of (insert date) and write to let you know how your appeal will now be dealt with.

A hearing by the Complaints Appeals Panel will be held within 20 working days from the receipt of your complaint i.e. by (insert date). The panel is made up of 3 governors who have no prior knowledge of the details of the complaint. The role of the panel is to consider your complaint and the action taken to address the complaint to date together with any information that the Headteacher (*or Chair of Governors or designated member of staff as appropriate*) wishes to put forward. The Panel will then consider in private all the information presented to it and arrive at its decision. The Panel has the authority to:

- dismiss the appeal in whole or in part;
- uphold the appeal in whole or in part;
- decide on any appropriate action to be taken to resolve the complaint;
- recommend changes to the school's systems or procedures to ensure that problems of a similar nature do not recur."

You will be notified in writing of the decision of the panel within 5 days of the meeting.

I will be acting as clerk to the panel and it is my responsibility to make all the necessary arrangements for the meeting and to take the minutes of the meeting and offer procedural guidance only. Any correspondence that you may wish to submit to the panel should be sent to me at the address shown at the head of this letter.

You are entitled to attend the meeting and to present your complaint and you may be accompanied by a friend or an advisor who may speak on your behalf if you so wish. You or your friend or advisor may also submit, in advance, written representations. These will be circulated to the panel and to the Headteacher and must therefore be sent to me to arrive not less than 10 working days prior to the meeting to enable me to do that. If the Headteacher similarly submits any written representations then you will be provided with a copy 5 working days in advance of the meeting.

I will contact you again soon to discuss the date, time and venue for the meeting but in the meantime if you have any questions in connection with this matter please do not hesitate to contact me.

Yours sincerely

Clerk to the Complaints Appeals Panel of (name of school) Governing Body

Letter 'B' - letter of decision to complainant – rejecting complaint

Dear

Your Complaint – Complaints Appeals Panel Hearing– (insert date of hearing)

May I first of all thank you for attending the hearing by the Panel held on (insert date).

The Panel after carefully considering all the information presented to it has decided that no further action should be taken on your complaint for the following reasons:

Set out the reasons for the decision e.g.

- a) It is recognised that an error had occurred at the early stage of the matter the subject of your complaint. Whilst this was regrettable it is the view of the panel, that the early action taken by the Headteacher to correct the error once it was discovered was sufficient to correct the situation.
- b) Because action was taken early there was no evidence to demonstrate that you had suffered materially as a consequence;
- c) The Headteacher has already apologised to you both verbally and in writing for the error;
- d) The Governing Body will be reviewing policies and procedures to see if they can be improved.

The hearing of your complaint by the Panel brings to an end the formal procedures set out in the school's Complaints Procedure. However, if you remain dissatisfied then you may write to the Department for Education, Castle View House, East Lane, Runcorn, Cheshire WA7 2GJ

Yours sincerely,

Chair of the Complaints Appeals Panel of (Name of school) Governing Body

The Panel after carefully considering all the information presented to it has decided to uphold your complaint for the following reasons:

Set out reasons e.g.

- a) It is recognised that an error had occurred at the early stage of the matter the subject of your complaint and that this error had not been identified or action taken to correct it;
- b) Because the error was not identified you had to pay twice for the music lessons;

Further the Panel has determined that the following action shall be taken to address your complaint:

Set out redress offered e.g.

- 1) The Headteacher and the Panel offer an unreserved apology to you for the distress caused by the failure to properly address the original error;
- 2) A refund of the overpaid music lessons fee will be made to you as soon as possible;
- 3) Measures have now been put in place to prevent any further similar errors occurring.

The Panel hopes that this now brings this matter to a conclusion and thanks you for the professional and courteous way in which you dealt with the matter at the hearing.

Yours sincerely
