Scarecrow Event

Thank you to everyone in both settings who joined us in any way at all for our scarecrow event. To those of you unable to attend but sent in resources to support, many thanks to you too. The event was a roaring success in both schools. Lunch was shared by many parents and grandparents and it was truly delicious! (I know that some grown-ups went back for seconds!) Although reluctant at the outset at being expected to create a scarecrow, adults in both schools entered into the spirit with great gusto, flair and imagination. The scarecrow trails were amazing and it was sad that the rain quickly left them slightly more bedraggled than we hoped rather quickly... The great British weather can always be relied upon!

Parent's Evening

Both settings will be holding Parent's Evening next week.

Sand Hutton's is on Wednesday 16th October and Warthill's is on Thursday 17th October.

If your appointment finishes before the end of the school day, you are welcome to take your child/children home with you.

Harvest

The Harvest Service for Warthill will be on Monday 14th October at 9.00am. Please could all children meet at the Church that day. The FOWS will be serving refreshment after the service.

Sand Hutton's Harvest Service will be at 2.00pm in the Church on Wednesday 23rd October.

Just a little 'save the date'.

Children in Need are releasing an album called Got it Covered, where celebrities perform cover versions of their own song. To match this, we are proposing our own event. This will take place at Sand Hutton for both schools on Monday 11th November at 1.15. Each class will have already prepared either a cover or a 'lip synch' performance of their choice. However, children are invited to get together in groups and enter their own additional spot of entertainment. We hope to have a panel of 'judges' (hoping they are kinder than Simon Cowell).

You are invited to attend, in the audience, unless you feel especially brave and would like to put on a turn of your own and will be asked to give a donation rather than us set a ticket price. We thought that this would provide a more proactive alternative to non-uniform day.

Stockeld Park

As mentioned in a previous letter, we have booked a day at Stockeld Park on December 3rd for children in both schools. The payment information should be available next week on Parent pay, please feel free to stagger payments if you have more than one child.

Christmas Boxes.

Next week we will putting together our Christmas boxes in both schools. Thank you so much to those of you who have already brought in donations and just a quick reminder about the things you could bring in from home, things which don't cost any money and you may already have.

Good condition hats scarves and gloves. Small toys, maybe even old Happy Meal items. Unused toiletries or hair accessories. If you are going to purchase things, think of sets of items which could be split and shared between several boxes such as packs of men's socks. Each box is designed to have something in for every member of the family.

Thank you in advance for your support and we look forward to working with your children next week to put these together.

Vale of York Academy Hockey Competition

A mixed team from Sand Hutton and Warhill took part in the Hockey competition at Vale of York Academy on Tuesday evening. They all worked exceptionally well as a team, showing great tactics and attacking play. The team made it into the final and came second overall. A great result, well done everyone who took part!

Kirstie Attwood

Today is Mrs Attwood's last day at Warhill, as our Warhill families know. We have been privileged to have benefited from her skills and her kindness for so long. She leaves us to work for a children's charity which we know she will love and they have gained a member of staff they will wonder how they ever managed without. We wish her all the very best in her new role and hope that she pops back to see us often.
