

Class 1 - Friday 22nd November

In Class One we have been developing our knowledge of churches around the world and joined in with a Roma church song thanks to a visit from YoYo. We have also been creating houses for our clay Bog Babies making sure they are protected from the rain.

Finally, we had the opportunity to practise our skipping skills with Skip2BFit – We remembered the rule ‘practise makes better’, we will aim to improve our skipping scores every week. How many skips can you do in 2 minutes?
