

Friday 22nd November 2019

We have enjoyed another few busy weeks in the Infant Class. We commemorated Armistice Day with a minute's silence in our Garden of Remembrance and Miss Parkinson played the Last Post on her cornet.

The poppies that the children made for the garden help to make it a truly special place.

The children enjoyed a very active day with our visitors from Skip2bfit. They learned new skills like balance, timing and footwork and had real fun perfecting their technique.
