Learning Log Information for this Half Term

Spring 1

Please choose one activity from each of the English, Maths and Science rows to work on through the half term. When you have completed these to a high standard, you might wish to work on some of the other extra activities that have been suggested. Your Learning Log will be displayed in the classroom and should be completed by Friday 7th February.

English	<p style="text-align: center;"><u>Story telling</u></p> <p>As it is National Storytelling Week at the beginning of February. Film yourself telling a story (this can be a well-known story or a story you have created), so that we can listen and watch in class. Remember to look at the camera and keep the audience engaged.</p> <p>Watch the following clip which should help you prepare https://www.storylineonline.net/books/hula-hoopin-queen/</p>	<p style="text-align: center;"><u>Report</u></p> <p>Interview a parent, or other family member about their profession. Being a mum or dad is an important role you may wish to interview them about too.</p> <p>Produce a report about that profession. This may be a leaflet, information book or even a film.</p>	<p style="text-align: center;"><u>National Handwriting Day</u> <u>Jan 23rd</u></p> <p>Find a poem you really love, learn it by heart and write it out. Present it as neatly as you can. Ensure your handwriting is the best it can be.</p>
Maths	<p style="text-align: center;"><u>Chinese New Year</u></p> <p>Work out the years which will be the year of the rat from 2020 until the year 2,500.</p> <p>Do the same for another animal of your choice.</p>	<p style="text-align: center;"><u>Data</u></p> <p>In honour of the Big Garden Birdwatch, complete a survey based on the birds which visit your garden. This may be in a specific time slot (1 hour perhaps) or based on which birds are seen at a particular time each day over a week. You choose the most appropriate way to present the data.</p>	<p style="text-align: center;"><u>Fractions</u></p> <p>Create a fact file about fractions.</p>
Science	<p style="text-align: center;"><u>Research</u></p> <p>Find out about the life cycle of an animal of your choice. Compare it to the human life cycle.</p>	<p style="text-align: center;"><u>Compare</u></p> <p>Create a timeline of yourself. Include photos of when you were born. Write about the similarities and differences as you have grown older.</p>	<p style="text-align: center;"><u>Applying</u></p> <p>What if you never aged, or were born with a body of an elderly person? Write a story based on the challenges this may present.</p>
Extra	<p style="text-align: center;">It is National Heart Month in February. Can you skip for 2 mins each day of February? Complete a random act of kindness Create a replica Anderson shelter Create a piece of artwork inspired by WW2</p>
