

Class 3 – Friday 24th January 2020

Class 3 have been immersing themselves in WW2.

We recreated the Battle of Britain, by playing a game in the hall, created memory boxes and even recreated taking shelter for a whole afternoon in our homemade Anderson shelter, complete with sound effects. The children had lots of fun and learnt lots. I have also been really impressed with the learning pupils have also been doing at home, to further their knowledge. Well done Class 3!
