

### **Class 3 – Friday 7<sup>th</sup> February 2020**

We have been immersing ourselves in our WW2 topic and learning all about rationing. We also realised how lucky we are to be able to access exotic fruits and the good old banana, daily! The children enjoyed watching historical footage of children seeing bananas for the first time and hearing about Mrs Pawson's tales about oranges!

We have also had fun deciding which of the books Junior Class have recommended to us, to read first. This is a tricky decision.
