

Sand Hutton and Warthill Primary Schools Art and design schemes of work

Our schools' schemes of work have been designed as a spiral curriculum with the following key principles in mind:

Cyclical: Pupils return to the key areas again and again during their time in primary school.

Increasing depth: Each time a key area is revisited, it is covered with greater complexity.

Prior knowledge: Upon returning to each key area, prior knowledge is utilised so pupils can build on previous foundations.

<p style="text-align: center;">Drawing</p> 	<p style="text-align: center;">Painting</p> 	<p style="text-align: center;">Sculpture / 3D</p> 	<p style="text-align: center;">Textiles / collage</p> 	<p style="text-align: center;">Printing</p> 	<p style="text-align: center;">Work of other artists</p> 
<p>Explore a range of drawing materials. Use a sketchbook to record what is seen and to experiment with mark making.</p>	<p>Experiment with mixing colours. Explore painting on different surfaces. Explore the relationship of line, form and colour.</p>	<p>Explore ways to transform 2D into 3D. Combine and construct with a variety of materials.</p>	<p>Use drawings as the basis for collage projects. Explore how combinations of materials can be manipulated and transformed into artwork.</p>	<p>Explore a range of printing techniques. Explore how printing can be combined with other art forms to produce mixed media projects.</p>	<p>Gain a greater understanding of how art can teach us about our history and different cultures. Share how artists/artworks have inspired work.</p>

Warthill CE Primary School
Art and design Long Term Plan

	Autumn	Spring	Summer
