

Dear Families,

I do hope that you enjoyed a restful Easter break.

We have all returned safe and well and ready to learn in our schools. Some of us were even here last week, meeting Nathan, from LAB charity and hearing his inspiring words. Thank you for coming and the donations you gave. He was incredibly grateful!

Speaking of gratitude, I have much more to share. Thank you to all those people who gave up their time over the Easter break to transform our outdoor space at Warhill. It looks brand new and we are all so delighted with our den building area and extensively barked play space. Further to those, thank you for the generous anonymous donation which has enabled the purchase of a shed at Warhill. We know you don't want to be recognised but we have to recognise the generosity of your gift!

I know that next weekend, the Sand Hutton community will be coming together to transform the Sand Hutton outside space. I cannot wait to see the fruits of our labours (not to mention benefit from a barbecue) so please see PTA notices for further information.

Please have an enjoyable weekend,

With every best wish,

Beverley Pawson

Headteacher
